The Function Room is situated on the edge of Longton Marsh, in close proximity to the Ribble Estuary, surrounded by greenery and a very popular walking area.

The Estate houses a farm house pub popular with the walking, horse riding, clay shooting and local family communities. It has a widespread reputation for the quality and variety of its food and drink and is renowned for providing a great summer retreat! Adjacent to the pub stands a function suite in the form of a converted barn. With its exposed beams and wrought iron chandeliers, the suite plays host to a variety of events, such as:

- ◆ *Weddings*
- ◆ *Birthday Parties*
- ◆ *Baby Showers*
- ◆ *Anniversaries*
- ◆ *Christenings*
- ◆ *Business Meetings and Conferences*
- ◆ *General Work Parties or Corporate Events*
- ◆ *Funerals*

The suite includes a large open room, a separate bar area and washroom facilities.

The capacity allows for up to 150 people for a casual event and 100 for a more formal seated affair. The room may be decorated for all tastes and the inclusion of all forms of entertainment is possible. We suggest that a minimum of 45 people are required to hire the suite (please ask if your party does not meet the minimum numbers and we can arrange something to meet your requirements!)

The function room is available with our own in house catering services, or may be hired as is (see below).
